The Commissioner of Police:

I am a member of Dogs Tasmania and also of the Gundog Club of Tasmania and the Tasmanian Gundog Trial Association Inc., both of these organisations are affiliated with and governed by the Constitution, Regulations of the Association and of the Australian National Kennel Council.

I compete in sanctioned events both on a local and interstate level and, as such, I am required to give all details of my gun licence as a prerequisite to entry.

Participation in this sport, requires me to use only a Category A1 firearm, firing primer cased shells. I also use the Category A1 firearm while training, again firing only primer cased shells.

To enable me to continue in my chosen sporting activity, I wish to make application for a gun licence to use a Category A1 firearm.

Yours faithfully,

Mr/Mrs/Ms/Miss \_\_\_\_\_
