Following my commitment for more social activities in my profile for election to Council I write to invite volunteers to form committees north and south to suggest and decide upon various types of social activities for all members to enjoy during or away from their respective disciplines.

Thank you in anticipation.

## **T CH TS GRAND CH FIREAX VIVA FOR EVER CCD RN ET “Milla”**

Milla and I started our tracking career together in 2013. Eighteen tracks later she completed her Track and Search career under judge Trish Wileman, gaining her Grand Track and Search Champion title at the Tas. Dog Training Club Track and Search Trial 17/9/17, becoming the first Dobermann in Tasmania.

The sport of tracking harnesses a dog's natural ability to follow the scent of a person, and unlike other sports, where the dog is expected to follow handler instruction, in tracking the dog is in control. With the determination and independent thinking of a Dobermann, Milla thrived on this autonomy and the trust that was required. Focused and driven she was quick to learn and showed resilience in her problem solving skills. My only job was to hang on and stay out of the way.

The skills and confidence that tracking has brought to us continues to serve us in our daily lives. Thank you to all our judges, the tracking clubs of Tasmania and their helpers, as well as the friends I have been fortunate to meet along the way. A special thank you to Miss Ella Pieton (Fireax Dobermanns), for entrusting me with such a wickedly clever and gorgeous girl that has taught me much about patience, trust and communication.

# CANDIDATES

## ADAM BOOTH

It is a privilege to be considered by the members for a position on Council. I undertake to do my utmost to represent you well.

My membership with Dogs Tasmania initially commenced in 1990, as a 14-year-old, with the purchase of my first show dog, a Staffordshire Bull Terrier named Jock! In 1995, I bred my first Best in Show winner before leaving the show scene for a time. My parents were members before me, breeding and exhibiting Whippets and Dalmatians under the Cormiston prefix.

A return to the showing came in 2010, when our family began showing Dalmatians, our children being fourth generation Dalmatian owners and third generation breeder exhibitors! Over the past few years, members of the family have also become involved in Tracking, Herding, and Earthdog and most recently Obedience. We hold the belief that a well-balanced dog is a versatile dog. Our Dalmatians are successfully participating in Dogs Sports and Conformation throughout the world. Recent achievements include many Australian Champions, an American Champion, multiple Best in Shows, and an Obedience title in Hawaii!

As a Junior Handlers judge I have had the opportunity to judge the future caretakers of our sport, in three states of Australia, encouraging our young people one on one! I am passionate about supporting our young participants in all disciplines to ensure the long-term future of not only our sport but also of our pedigrees. In addition, I have served an Executive role within the Southern Midlands Kennel Club for three years.

It is my priority to support the existing council in providing the membership with a united and positive future for the organisation we are all part of. I believe that the general public should view our organisation as the voice of purebred dogs, and the “go to place” for information on various breeds and breeders.

I seek to assure you all that as someone who lives in the middle of the state, who supports all disciplines, I aim to work with the other councillors in supporting the entire membership.

In conclusion, I would hope that the membership would view me as being approachable, it would be my honour to assist any of you as best I can, representing you on council.

\* \* \* \* \*

## GEOFF BLYTH

I wish to offer to the membership my nomination for the position on TCA Inc Councillor.

I am an active conformation breeder and exhibitor and in the past have also participated in other disciplines. I have been an active councillor for a number of years and I pride myself on attending meetings regularly and contributing in a positive manner.

As a councillor I have never been afraid to face issues head on. I believe that the TCA needs to be run in a fiscally responsible manner and am proud to be part of a council that has made strategic decisions that have turned the financial position around to where we are currently makes a profit.

In my professional life I currently work as a union organizer and I have a full understanding of fair representation for all and appropriate implementation of rules and regulations. In our ever-increasing need to work with government and interest groups – this will prove to be a very valuable asset.

I believe that the dog world is a fantastic hobby and it has given myself and others many opportunities. I have met my wife, made lots of friends both locally, nationally and overseas and I would like to see our membership enjoy these types of opportunities in the future. I believe that

with a few tweaks our hobby can return to days of years gone by.

Being the driving force behind the recent surveys and a strong advocate for better communication and information sharing with the membership, I hope to be a continuing positive voice for the membership.

I believe that Dogs Tasmania needs to be the face of all things canine in Tasmania and as such I have begun putting together with councillor Counsell, the information posts that appear in the Dogs Tasmania Facebook page. Taking advantage to tie these in with our fabulous Public Education Committee and the work they do has seen an increase of traffic to the page and people who follow it. We will continue to use this page as an education tool for the public.

I am proud of some of the recent changes that have occurred because of some of my suggestions.

- We now have a bullying and harassment regulation
- Submissions into council for consideration for the ANKC conference resulting in the following:  
A new class accepted being the Owner Breeder Handler class that will come into consideration in 2018

Members of the ANKC will not allowed to be members of other dog registers like Master Dog Breeders Association in order to circumvent ANKC regulations to sell puppies etc.

Currently before council for consideration I have made the following recommendations:

- A suggestion for the second time for Dogs Tasmania to purchase defibrillators for use at dog sport events state-wide, something I am very passionate about with our membership safety in mind
- Breeder of merit system to be introduced to our membership
- Recognition for sire and dam of merits and that has had interest shown in it at ANKC level and I am currently working on this for resubmission
- I would also like to see a move where all states are using the same rules and regulations.

When casting your vote, I would ask you to consider me as one of your representatives for the council.

## JOHN CONNELL

I owned my first dog at the age of 21 where I began to show, the dog being a Cavalier King Charles Spaniel.

Presently my wife and I own a Boarding Kennel and Cattery. I also am quite active in showing my own dogs regularly at All Breeds shows and specialties. I am also active in dog administration being chairman of judges training committee as well as being on the herding committee, secretary of the Cavalier King Charles Spaniel Club of Tasmania and vice president of the Tasmanian Kennel Club

I began judging in 1982 with Toys, 1984 Hounds, 1988 Utility, and 1990 Non Sporting and finished with Terriers 2001, Gundogs 2004 and finally Working Dogs and All Breeds 2005.

From 1990–2000 as well as still showing and judging I raced and trained racing Greyhounds with much success.

I have judged all around Australia as well as North and South New Zealand, and the Philippines, Japan and South Africa judging all breeds and show specials on numerous occasions since 2005. I have judged many breed specialties, some being Cavalier King Charles Spaniel Club of NSW and North Island New Zealand, Chihuahua Club of Victoria and NSW, Newfoundland Club of Victoria and NSW, Chow Chow Club of Victoria and the Bullmastiff Club of NSW.

As well as being an All Breeds judge, I am fully qualified to judge at Herding Trials and am active in earth dog trials and training days as well as having a high interest in lure coursing and drafting.

Presently I own and show Cavalier King Charles Spaniels, Border Terriers and Border Collies and a Bull Mastiff.

As well as the above I have bred and owned Newfoundlands, Rottweilers and King Charles Spaniels making up many champions of all the above breeds.

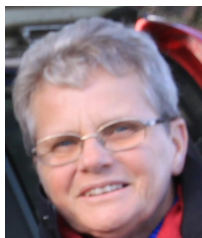

I have also shown Welsh Springer Spaniels, Whippets, Australian Kelpies and Pembroke Corgis with much success.

I am very active and make myself available whether it is hands on or stewarding in any club that needs my assistance. My main issue is to that the dog world in Tasmania survives for the present participants and those of the future and we work together for this to eventuate. I am looking forward to your support in this election.

I am pleased to be standing again as your representative on the Dogs Tasmania Council. I have been involved as an active member of the association for over 40 years with many breeds and across many disciplines.

\* \* \* \* \*

## ELAINE JOB

I am enthusiastically throwing my hat into the ring to again stand as Councillor!

I have been involved with Dogs Tasmania for 46 years both in and out of the ring, breeding, serving on committees and volunteering. I have been a strong advocate for the Junior Handlers in our sport – having three of my own children participating over the years. Currently I am a member of the Junior Handler Committee and am excited to see our juniors competing and improving each week.

In the coming years we will have challenges to face. I feel with my experience – both professionally and personally – I am very well placed to rise to those challenges. I have always made myself available to the members; regardless of which discipline you pursue and will absolutely continue to do so. I believe I always conduct myself in a fair, balanced and informed way and encourage others to do the same.

I am very mindful our association is home to many varied sports and the members who are active in them. My responsibility is to ALL members to make good, thoughtful, financially responsible decisions based on evidence. I will continue to represent you in this way if elected again as I truly consider it a privilege to do so.

\* \* \* \* \*

## CHRIS LOWE

I have a long association with the Hobart Dog Club and Eastern Shore Dog Club – being a Committee member and holding various executive positions across many decades. I have been honoured to receive life membership of both clubs.

Along with my experiences in conformation I have also been involved with Obedience, Rally Obedience, Endurance and Tracking.

Over the decades of my involvement I have had the pleasure of meeting many great people and feel I have represented them well during my time on council. I feel I offer a real voice to all the disciplines and as many of you know – I am very approachable and fair.

As we are all aware, the council has been through 12 months of disruption – but I am confident we can come through this stronger and more focussed, continuing our task of becoming more professional and becoming a real voice in Tasmania for ALL purebred dogs and owners.

I would like the opportunity to continue with this into the future and ask for your support to accomplish this.

\* \* \* \* \*

## DAVID SALES

It is a pleasure to be able to stand for re-election to the Council of TCA Inc. To be a Councillor is an honour and is not be regarded as a right or privilege.

I am presently President of Dogs Tasmania and have been so for nine of the past 11 years.

I am a Fellow of Certified Practising Accountants, Australia and when I was first elected it was on the basis of restoring the Association's finances which at that time were dismal. Over the past 14

years, that situation has been turned about and we presently have a substantial working surplus as well as money in the futures fund. I was a Chief Executive Officer of a major Council in Tasmania and I hope I bring my management expertise to the Board.

I am also Treasurer of the Australian National Kennel Council which gives Tasmania representation on that organisation's Executive.

I also judge four groups and decided when I started judging to limit my showing to avoid conflicts of interest. This means you haven't seen me in the show ring for many years but I have been event manager, show secretary and treasurer for a number of affiliates as well as stewarding.

The last 18 months or so have been fairly tumultuous for the association and I think it has demonstrated the value of firm independent leadership. As promised to the membership we have delivered amendments to the constitution, for the electoral process and a review of the office processes will commence in the near future. It is now time to commence the healing process within the organisation.

I believe people have to demonstrate why they deserve re-election and I consider that I have demonstrated qualities which warrant that you give me consideration when you are casting your vote. I undertake to support decisions which are for the benefit of all members, not just sectional groups

I ask that when you cast your vote that you vote for the four candidates whom you considered will benefit the future of the organisation most.

# TCA PRESIDENT'S REPORT

Hello Members

By the time you read this, summer will have commenced and we will be on the final run into the festive season. What happened to 2017?

In October I attended the Annual Board Meeting of ANKC. Dogs Tas had submitted a number of proposals and quite a few were accepted.

Firstly ANKC has changed its Code of Ethics to prevent members registering any dogs with unrecognised organisations. In addition all advertisements with ANKC registration number included will have to indicate the state body which may be contacted to verify authenticity.

We also proposed that bred by exhibitor class be introduced and this was also agreed to. Clubs will be able to offer this as an ordinary class after 1 January 2018. The Breeder must own and handle the dog in the judging ring. Dogs Tas has decided that Bred by Exhibitor Class in Group shall have a Navy ribbons and in Show, Navy and White.

ANKC also approved a number of shows as CACIB shows (International Shows). Combined Breeds was the only club to apply from Tasmania and it will be held as their October Show, the day after Hobart Royal. Information on the running of a CACIB show can be found on the ANKC website under Regulations Part 5 Show Section 6.

As an aside, it was disturbing to hear that the past RNAPS Show might be the last. Hopefully this matter can be resolved in the next few months.

ANKC also discussed the problem that some judges are having getting into Australia on visitor visas. Several last minute changes have recently be made because of this problem. As soon as we have some authoritative determination we will make it public.

I would also like to remind stewards, that when there is a show which extends over more than one day, the prohibition of stewarding under a judge who will later judge your dog, applies to the whole show not just on a day by day basis.

In this Gazette, you will have received your voting paper for the Council election. I would encourage everyone to exercise their right as a member to cast their vote. If you don't receive your ballot paper, contact the office, as the constitution was changed to enable the returning officer to issue a duplicate ballot paper.

I'll sign off by wishing everyone a very enjoyable festive season and a great 2018 and remember don't leave your children or dogs in a closed vehicle.

Until 2018

David Sales PRESIDENT, Dogs Tasmania

## WORTHY RECOGNITION

*Elaine Job at the State Retrieving Trial Championships presenting Paul Littlejohn with his certificate recognising his induction into the ANKC Ltd Retrieving Hall of Fame*

Paul Littlejohn joined the Tasmanian Field Trial Association in 1985 and the TCA Inc in 1987. He has owned numerous dogs during the time he has been involved with Dogs Tasmania including four Retrieving Trial Champions, one Field Trial Champion. Paul has bred two Field Trial Champions and a Retrieving Trial Champion under the Palabaz prefix. He owned the first dog to obtain a title in Tasmania, Bried Shalimar NRD.

Paul initiated the Tasmanian State Retrieving Trial Championships, and he chaired the Committee for their first six events. He was also the prime mover in getting Tasmania to host the National Retrieving Trial Championships that have been conducted in this State.

Paul has managed in excess of 100 Retrieving and Field Trials in Tasmania including four State Championships and one National, organised trial sites as well as judging Retrieving Trials in each state of Australia (except NT) to All-Age.

RESOLVED: 'The EO's Report be accepted.'

### **Lure Coursing**

G Parry gave a report on the Lure Coursing Workshop he had attended in Sydney and presented costings on the equipment required to get it running in Tasmania and suggested that Associate Members be permitted to participate.

The EO advised the meeting that a change to the Constitution would be required to enable this to happen.

RESOLVED: 'The costs be referred to the Finance Committee for consideration.'

### **Defibrillators**

G Blyth raised the issue of the Association purchasing defibrillators for use by affiliate clubs.

The EO advised the meeting that people would have to be appointed in each area to be responsible for the devices.

RESOLVED: 'A notice be published in the Gazette calling for able members to be responsible for the defibrillators in each area and Ford Kinter requested to provide details on any liability the Association may face if the devices were used at TCA Inc sanctioned fixtures.'

G Blyth suggested that funding could be secured from community organisations to purchase the devices.

### **Breeder of Merit**

G Blyth requested that this matter be listed as an agenda item for the next meeting of Council for consideration as a local award.

The EO agreed to forward a copy of the proposal that had been forwarded to the ANKC Ltd to all Councillors.

### **Social Function**

R Lowe requested this matter be listed on the agenda for the next meeting of Council.

***The meeting closed at 9.15 pm.***

## TASMANIAN CONTEST OF CHAMPIONS REGULATIONS effective 1 January 2008

1. This competition is organised by the Combined Breeds Dog Club of Tasmania Inc.
2. Any dog/bitch must have attained the title of Australian Champion by 31 December each year that is confirmed by the TCA Inc office prior to 15 January in the following year.
3. Each year the number of judges to be appointed shall be determined by the committee of the Combined Breeds Dog Club of Tasmania Inc.
4. The judges will be selected by the committee of the Combined Breeds Dog Club of Tasmania Inc and will be utilised the next day to officiate at an All Breeds Championship Show. The winner of the Contest of Champions will be excluded from exhibiting at this fixture.
5. For dogs/bitches to compete at the Contest of Champions all qualifying points must be obtained at Tasmanian shows.
6. Dogs/bitches must gain their wins in Tasmania but do not have to be owned outright by a resident of Tasmania. Dogs/bitches, at the time of qualifying, wholly owned by a person/s not resident in Tasmania are ineligible.
7. There will be 32 invitations issued to the top qualifying dogs on the following basis:
  - The top four dogs/bitches in each Group will be invited to compete.
  - The other four invitations will be determined by a wild card draw. Scoring for these positions will be as follows:
    - Best in Group – 5 points and for every multiple of 25 exhibits over 50 another point is allocated.
    - Runner Up Best in Group – half the number of points allocated to the Best in Group.
  - If any dog/bitch invited cancels, withdraws or does not accept the invitation an invitation will be issued to the next highest scoring exhibit.
8. Invitations will be forwarded to exhibitors as soon as possible but no later than 15 January in each year.
9. Judging will be by means of a knock out competition, 16 heats with the winner of each heat going through to the next round until two only remain. There will be one final winner. The order of judging will be determined by a public draw at the event prior to the commencement of judging.
10. The TCA Inc Council will appoint an independent adjudicator for the event.
11. In the event of any contingency arising which is not covered by these Regulations the club's committee, in conjunction with the TCA Inc appointed adjudicator, has the power to make such rulings as they determine are in the best interests of the club and the continuing prestige of the event.

# TRADE DIRECTORY
