# TCA PRESIDENT'S REPORT

Hello Members

I hope everyone had an enjoyable festive season and is looking to have a great New Year.

In the past week, DogsTas has received advice from RAST that the kennel section area of the Showground will, subject to planning approval, be leased to a commercial undertaking. A copy of the information was placed on the DogsTas Facebook page. RAST has advised that facilities suitable for dog shows will be provided elsewhere on the Showground. Obviously more detailed discussions will need to be undertaken with RAST but I repeat the undertaken previously given by the current Council. No decision will be made on a southern ground without it being put to the membership.

The first activity has taken place at Quercus Park. I congratulate the Gundog Club of Tasmania on their organisation of this event.

You will also note that the motions for the AGM are included in this Gazette

The election for Councillors took place during December/January and the four sitting candidates were returned. Nonetheless all candidates polled well and I would encourage the unsuccessful candidates to saddle up again next November.

The office has received a number of reports of what appear to be members selling unregistered or cross bred dogs. Members are reminded that this is a breach of the Code of Ethics and where there is sufficient evidence, disciplinary action will be taken.

I would also advise that a Special Meeting of ANKC will take place in February where some of our motions will be resubmitted and hopefully some of the queries regarding the FCI Shows will be clarified.

See you all at the AGM

**"Klyde"**

Excited to share the news that Klyde has earned the first Earthdog title in Tasmania.

Klyde had a late start to Earthdog due to this discipline being new in Tasmania only taking off over the last few years. He only needed one attempt to know what was asked of him, a real natural who only wants to get through the tunnel to the den. Klyde attained his Senior Earthdog title on 10 August 2017. His next step is to gain Master Earthdog which he is already on the way to achieving with one pass under his belt. A few trips to Victoria has helped both of us learn the ropes and become more confident.

Klyde has been involved with Nosework classes at Hobart Canine Obedience Club Inc and seeing the change from fast pace with Earthdog to a calmer pace at Nosework has to be seen to be believed.

Thanks to the Sporting Terrier Club of Tasmania and the Canine Performance Association of Tasmania for conducting Earthdog Tests and making all this fun possible.

Klyde was bred by Dr Clare Stainsby and Ms Diana Rees, of Burrowa Border Terriers in Victoria, and is owned by Lisa McGinn.

The Accounting Financial Statements are currently not in sync or relevant with our multi discipline dog structure and do not inform or give Members any indication of performances achieved in any way

### **Rationale:**

Current Constitution is out of date and needs urgent review to meet the needs of a changing dog world. There is an urgent need to change the how our President and 2 vice Presidents are elected, how our appointment for our Returning Officer for elections is administered and appointed (must not be an officer or member of TCA) and our multi discipline dog world today needs a constitution that represents and covers the needs of Members while safeguarding the fabric of our Association and purposes.

I have substantive evidence that the accounts of the immediate past have not been prepared in accordance with Australian Accounting Standards and do not give a true and fair view of the accounts for the Association.

On behalf of all Members I hereby give notice as per Constitution clause 8.3 that the Executive Officer provide to all members a Summary of Income and Expenditure inclusive of the following information:

**The number of Members by Dog Category** – Conformation, Tracking, Obedience, Rally, Judging, etc. (Member has interest in say 4 categories) M/ship Income is split into 4 categories, if interest is in 2 groups then split into 2 categories)

Insurance Income Levies by Category -

Other Income by Category –

#### **EXPENSES by Dog Category**

- Affiliation fees
- Gazette production & distribution
- Insurance
- Judges Examination expenses
- Office operating expenses
- Kennel area expenses

- Any other expenses that can be split

**Rationale:**

The Accounting Financial Statements are currently not in sync or relevant with our multi discipline dog structure and do not inform or give Members any indication of performances achieved in any way. I have substantive evidence that the accounts of the immediate past have not been prepared in accordance with Australian Accounting Standards and do not give a true and fair view of the accounts for the Association.

As per clause 8.3 of the Constitution , I hereby request that the current Constitution be amended at the coming AGM for the election of President and vice Presidents by replacing clauses 18.1, 18.2, 18.3.1, 18.3.2, 18.3.3, 18.3.4, 18.3.5, 18.4, 18.5 and 19.1.

**18 The President**

**18.1** The office of President of the TCA shall be filled by a member nominating for and being elected to that office by ballot of the membership of the TCA and

**18.2** the term of office of President shall be for a period of 3 years commencing on the day following the date of the Annual General Meeting and thereafter every third year from that date and is eligible to serve multiple terms.

**18.3** in the event of a casual vacancy occurring in the office of President such vacancy shall be filled by the Vice President who shall, ipso facto, be Acting President of the TCA and shall hold office as such until the next annual election when the vacancy shall be filled by a candidate nominating for and being elected by the membership to the office of President for the then unexpired term of office of their predecessor.

**19 Vice-Presidents**

**19.1** The office of Vice Presidents of the TCA shall be filled by a member nominating for and being elected to that office by ballot of the membership of the TCA and:

**19.2** the term of office of Vice Presidents 1 & 2 shall be for an initial period commencing one day after the Annual General Meeting until the day following the date of the Annual General Meeting and every third year thereafter from that date.

**19.3** in the event of a casual vacancy occurring in the office of Vice Presidents such vacancy shall be filled by an ordinary member of the Council elected by that Committee from amongst their number and such member shall hold office as Acting Vice President until the next annual election when the vacancy shall be filled by a candidate nominating for and being elected by the membership to the office of Vice President for the then unexpired term of office of their predecessor.

**Rationale:**

Current Constitution is out of date and needs urgent review to meet the needs of a changing dog world. There is an urgent need to change the how our President and 2 vice Presidents are elected, as they should be elected by the Membership as is the case in other states.

At a date in June 2018 that there be elections for the following

**The President**

The office of President of the TCA shall be filled by a member nominating for and being elected to that office by ballot of the membership of the TCA and

the term of office of President shall be for a period of 3 years commencing on the day following the date of the Annual General Meeting and thereafter every third year from that date and is eligible to serve multiple terms.

**Vice-Presidents**

The office of Vice Presidents of the TCA shall be filled by a member nominating for and being elected to that office by ballot of the membership of the TCA and:

the term of office of Vice President 1 shall be for an initial period commencing one day after the Annual General Meeting for 2 years until the day following the date of the Annual General Meeting and every third year thereafter from that date and for Vice President 2 for 1 year and every third year thereafter from that date.

All other Council Members (9) to slot in their normal 3 year cycles some of whom may get an automatic extension of up to 6 months to allow for change in Financial Year to June from December.

**JOHN CONNELL'S MOTIONS TO BE CONSIDERED AT THE AGM (pages 8 and 9)**

Current Clause	Suggested amendment	Rationale for amendment
<p><b>8.7</b> The financial year shall be the period from the 1st January to the 31st December in any year.</p>	<p>The financial year shall be the period from the 1st July to the 30th June in any year.</p>	<p>Currently the Christmas / New Year TCA office closure interrupts the running of the office right at the end of the current financial year. It would be more beneficial to change the financial year in terms of management efficiency. The council elections could also be moved to the June/July to coincide with the AGM. It also allows the office staff to have an uninterrupted holiday break.</p>
<p><b>5.13.4</b> All member subscriptions shall become due and payable on the last day of the month in which the anniversary of the members admission to the TCA Inc falls and that member has been duly confirmed by Council pursuant to Clause 5.10 and a member ceases to be a member if the annual membership fee prescribed by Council has not been paid within 30 days of that date.</p>	<p>All member subscriptions shall become due and payable on 1st July each year and that member has been duly confirmed by Council pursuant to Clause 5.10 and a member ceases to be a member if the annual membership fee prescribed by Council has not been paid within 30 days of that date.</p>	<p>This allows all memberships to be due at one time making it easier for everyone to know when their membership is due for renewal and would make it simple for TCA to check in a timely manner for any lapsed memberships.</p> <p>It is suggested for the first year that memberships renewal be on a prorate basis. This would allow all membership fees to come in at one time and I am positive it would be better for budgeting with the potential of receiving approximately \$60,000.00 in that month alone which could be invested appropriately.</p> <p>NSW has just changed theirs at the last AGM to coincide with the financial year July-June and allows the AGM to be held within 5 months which was November.</p>
<p><b>18.1</b> From The 1st of February 1995 the President shall be elected by the council from its members for a term of (12mths), Commencing on such date as the council determines.</p>	<p>At a special general meeting the President shall be elected by the council from its members for a term of (12mths), commencing one day after the AGM.</p>	<p>It is extremely difficult for the incoming President to take up their position and chair an AGM within a small time frame. The outgoing President should follow the year through to the end and be able to answer any questions on issues that have happened in the past year. It's only fair to the new President and the members. The New President should not be put in a difficult position.</p>
<p><b>19.1</b> At a special meeting of the council there shall be elected from its members two (2) Vice Presidents, for the term of (12mths), commencing on such date as the council determines</p>	<p>At a special general meeting of the council there shall be elected from its members two (2) Vice presidents for the term of twelve months one day after the AGM.</p>	<p>In the absence of the President neither of the two (2) Vice Presidents should be put in the same predicament. (as detailed above)</p>

<p><b>15.4</b> Any councillors, the term of whom expires on the 31st January (retirement date) in a year shall be deemed to continue in office and shall continue to exercise all their rights and powers of a councillor and shall be subject to the duties of a councillor until either the 27th February immediately following the retirement date or until the conclusion of the first meeting of the council held after the retirement date whichever occurs first.</p>	<p>Any councillors, the term of office expires on the 31st January (retirement date) should stand down on that date and shall not continue to exercise their rights as a councillor.</p>	<p>The outgoing councillor under the current clause can continue to vote and make decisions on behalf of the members even if they are voted out. Even to the extent of voting in the new President and Vice President. The worst case scenario could be that the four outgoing councillors are present along with three other councillors to make up a quorum and a vote happens with little insignificance. The four new councillors are allowed to attend the meeting as observers but are unable to vote.</p>
<p><b>15.5</b> Where the term of a councillor commences on 1st February (the commencement date) in a year the right of that councillor to exercise any of their rights and powers of a councillor as such shall be suspended either until 28th February immediately following the commencement date or until the conclusion of the first meeting of the council held after the commencement date, whichever occurs first.</p>	<p>Where a term of a councillor commences on the 1st February (the commencement date) in a year the right of that councillor to exercise any of their rights and powers of a councillor as such shall begin from this date.</p>	<p>The new councillors should be able to make decisions from the first council meeting after being elected by the members.</p>
<p><b>24.3</b> At a special General Meeting in the month prior to the AGM Council shall appoint members to the following committees: <i>24.3m Conformation Judges Training Committee (appointed in August each year).</i></p>	<p>Conformation Judges Training Committee (appointed in October each year)</p>	<p>The practical exams are in mid-September and the candidates do not apply to join the scheme until the third week in September or sit the Open Book exam until 1st of October. The structure is incomplete until October.</p>

### Existing Clause 26.2

**26.2** The function and duty of the Appeals Committee is to hear and determine appeals from or against determinations made by the Discipline & Disputes Committee and decisions of any affiliate or decisions of the Council of the TCA Inc including decisions of the Council's Sub Committees.

Clause **26.2** be amended to read:

**26.2** The function and duty of the Appeals Committee is to hear and determine appeals against penalties imposed by the Council of TCA Inc., by any Council Sub Committees (including the Discipline & Disputes Committee) and by any Affiliate of TCA Inc.

### Rationale

Previously all Appeals were heard by the TCA Inc.Council. To provide independence and natural justice, the Appeals Committee which is entirely independent of Council was set up. Unfortunately the wording of 26.2 was ambiguous and in the past twelve months because of the wording several appeals were submitted against administrative decisions such as the allocation of show dates. This was never the intention of this section and consequently the amendment is submitted to return the section to its original intention.

### A new clause to be included:

**26.8.4** The Council may declare a determination of the Appeals Committee void if it is of the belief that the decision is contrary to law, natural justice or procedural fairness or the TCA Inc Regulations. In this case the matter will be referred back to the Appeals Committee for a rehearing.

### Rationale

As previously indicated the Appeals Committee was established and was given delegated authority to make decisions which could not be overruled by Council. We have had however two situations where after the appeal was determined, information was provided to Council which indicated that a decision may have been made that either denied the appellant natural justice or was contrary to our rules. This section not does provide Council with power to reverse the Appeals Committee's decision but will enable Council to refer matters back to the Committee to reconsider taking into account the new information. It is noted that this power has been given in several other states because of the same problem.

## CHERYLE HOUGHTON – GENERAL BUSINESS

**Regulation 200** be amended by the addition of the following clause 200C -

**200C Clubs conducting All Breeds championship shows are required to conduct at least one (1) All Breeds Open Show per calendar year.**

### Rationale

Open shows provide an extremely worthwhile learning environment for training and experience in several areas. They are a less stressful way for new exhibitors to learn about showing without the pressures of a championship show.

They are also valuable for trainee judges and stewards to obtain "hands on" experience in a "real" show ring environment as opposed to learning seated at ringside.

On 16th July 2017, the Conformation Judges Training Committee conducted an AM Championship Show followed by a PM Open Show with what appeared considerable success.

This requirement would not need to be applied to Agricultural Show Societies but they could conduct an Open Show should they wish.

# The Classic Dog Show

The Classic Dog Show President Maureen Collicutt, Secretary Sue Axton, Treasurer Cheryle Esam and committee members Carol Houston and Ian Axton recently presented the Cancer Council Tasmania with a cheque to the value of \$2100.00 which was the profit raised from our November 25th Charity Show.

Brock Kerslake who is the Community Engagement Officer was on hand to accept our donation. One of the volunteers of which there are many spent quite some time explaining to us the various activities that take place at their Howick Street premises and how donations such as this help support them.

Brock said it was great to see the enthusiasm of the exhibitors at the show and how grateful the organisation was for the donation.

As a committee we would like to thank the exhibitors for their entries (almost 300) and their sportsmanship on the day, all those who helped in the canteen, office, selling raffle tickets setting up and pulling down rings and gazebos, donations of trophies and sashes. To the stewards and the judges who kept us on time it all made our day worthwhile.

Thanks to Ange Fry who organised a parade of "Imports" during the lunch break which Teena Sloan judged it was a good bit of fun and surprising the amount of entries.

Our President worked tirelessly for months gathering donations and trophies and as a committee she was our driving force "thankyou Maureen" for making this a fun and profitable venture.

## CANINE PERFORMANCE ASSOCIATION OF TASMANIA (CPAT)

What a big year CPAT had in 2017, culminating in the National Herding Trial in November. Many thanks to all those who supported the event by entering, helping with organisation, sponsorship, buying and selling raffle tickets. Special thanks to our judge Lynn Leach from Canada, the CPAT committee and Tull Luttrell and Royston Carr for their generosity providing such a fabulous venue.

We are looking forward to our Endurance Test, to be held on 28 April 2018 at Exeter. It will be judged by Ms Joan Stewart (NSW) Entries close on 24 February.

In conjunction with our Endurance Test, we will be offering a Dances with Dogs Clinic, on Sunday 29 April in Launceston. Details and registration information will be posted on our Facebook page.

## DERWENT KENNEL CLUB

The Derwent Kennel Club is pleased to present our 8th Championship Show. Our General Specials judge will be Mrs. Audrey Hauptfleisch from South Africa. Our show will be the first time she has judged Best in Show in Australia. However she judges BIS regularly in South Africa and all over the world. She has just returned from judging in the UK and Ireland. She judged several groups at the Canberra Royal Show a few years ago and will be judging the Beagle Club of NSW show at the end of March. She is well known for her winning Beagles and her kennel prefix, shared with her daughter, of Morninhunt is well known in her own country.

The balance of the judging panel are Tasmanians, all of whom will be recognised as hard workers in our show scene. Philippa Micklem (Group 3), Rex Lowe (Group 7) will be judging these groups for the first time in this state and together with Terry Collicutt (Group 2) have all judged throughout Australia as well as overseas. We hope you will support our show with your entries.

Our usual Open Show has been replaced with a special feature at this show. With the approval of the Judges Training Scheme we are presenting an Open Sweepstakes for each group. These are to be judged by trainee judges and there will be a prize for each group winner. Your support would be greatly appreciated by all concerned and any dog or bitch entered in the show aged 6 months or more may be entered.

Junior Handlers heats will be held during the luncheon break. The club is pleased to announce that the Pure Tasmanian Pet Food Company is again providing donations for our show. The club wishes to advise that this year's Charity of Choice is the Youth Outreach Program based on the North West Coast and organised by the City Mission.

## HOUND CLUB OF TASMANIA

### ***Dr Francis McEvoy – All Breeds judge***

Dr McEvoy's family have always had dogs – Irish dogs. First were the Irish Terriers, then Irish Setters, followed by the Kerry Blue (his first attendance at a show was with his grandfather's Kerry, in 1959) and now Irish Wolfhounds.

When he and his wife married, they enjoyed life with the Setters, but in 1972 together they acquired their first Irish Wolfhound, an import from the Erindale Kennels (UK). This was the start of a wonderful journey, during which time they have exported dogs to many countries; won over 40 Specialty Best in Shows (and as many runner-up awards); and most of all, enjoyed the dogs as part of their family.

Dr McEvoy began judging in the Hound Group in 1986, and has judged, since then, in all states (and territories) in Australia; and overseas, in New Zealand, Canada, United States, Britain, Ireland, Italy, Denmark, Germany, Thailand and Sweden. He has been Hound Group coordinator for the Judges Training Scheme in SA for ten years.
