# TCA PRESIDENT'S REPORT

2017 has been a very active year for the Dogs Tasmania. It started with a disruption in the electoral process which led to members submitting a petition to Council seeking a special meeting of members to discuss a number of issues outlined in the petition.

The petition was lodged in April and the Special Meeting was held in early May. The meeting was exceptionally well attended and following extensive discussion the motion to accept the demands in the petition was rejected by an overwhelming majority. Council however indicated that two of the major items included in the petition had already been agreed to by Council and an undertaking was given that a further Special General Meeting would be convened to consider changes to the electoral of the provisions of the Constitution. A discussion paper was prepared and mailed to all members. The responses were taken into account and at the second Special General Meeting the proposed changes were accepted unanimously by Members and used for the elections held during December 2017.

The second issue was a review of all aspects of the office operations. I am pleased to advise that a contract has been entered into for this work to be carried out and it is anticipated that the report will be received in May 2018.

Another election was held during the year to fill the casual vacancy caused by the resignation of Keith Irwin due to ill health. I thanked Keith for all his efforts in the canine world in last year's report so I will not repeat the details but thank you Keith. The successful candidate was Rex Lowe, so congratulations Rex and we all look forward to working with you.

At the election held in December 2017, the four sitting candidates were returned following an excellent voter turnout.

The year has been again successful financially and this will be the subject of the Treasurer's Report so other than to say, the Council adopts a really responsible attitude to stewardship of your funds, I will leave detailed comment to the Treasurer.

The major issue facing Council is the grounds situation. In the north, Council felt it could not agree to the initial terms outlined by Rural Youth for the use of Quercus Park and at that stage Rural Youth withdrew from further negotiations with Dogs Tasmania. Fortunately, further negotiations took place with the Quercus Park United Kennel Club and it is understood works have commenced on the site and shows will be held there in 2018. Hopefully this will resolve the issue of a permanent site in Northern Tasmania.

Unfortunately the issue is not so clear in the South. Late in 2017 we were advised that the RAST was proposing to lease an area including the dog area for a commercial undertaking and that they wished to have discussions with Dogs Tasmania about a dog area elsewhere on the Showground. Hopefully these discussions can be resolved satisfactorily in the near future.

At a national level ANKC has been actively involved in trying to counteract the adverse publicity regarding brachycephalic breeds while at the same time trying to counter the misrepresentation of the colours of some of these breeds. ANKC is also purchasing a BOAS Chamber to measure the respiratory capacity of these dogs in order to improve their health.

Following the finalising of the agreement with FCI, the first FCI CACIB Show will be held in Australia during 2018 with Tasmania's Show being conducted by CBDC on the day after Specials at Hobart Royal. It will be interesting to see if it attracts any more dogs to Tasmania.

During 2017 Dogs Tasmania established a Face Book page for members so that information could be conveyed to them as quickly as possible. This seems to have worked well with most Club and Office announcements pasted for members' information. Thanks must go to Di Nellis and Trudi Counsell for the work they do as administrators.

Members should note that the Face Book page is not a forum for seeking information from the office, we have established a dedicated email address for feedback from members – [membersfeedback@tasdogs.com](mailto:membersfeedback@tasdogs.com).

Unfortunately during the year we have lost several longstanding members and without listing names because I am sure I will miss someone, I would like to express the sincere sympathy of all Dogs Tasmania Members and acknowledge the efforts of these wonderful people to assist the dog world over so many years.

In conclusion I would like to thank all Councillors for the work they too have put in during year and the great support they have given me.

Without the contribution made by our volunteers the dog world would not function, thank you one and all. I would also like to thank those members who help the staff in the TCA Inc office, your assistance is greatly appreciated.

It would also be remiss not to acknowledge the efforts of Kerry, Judy and Debbie during what for them has been a very trying and stressful year. Hopefully we'll turn the corner in 2018.

# RETRIEVING & FIELD TRIAL

## “HALL OF FAME”

### 2018 Nominations

In the first 18 years of elections, the Australian National Kennel Council Ltd has received nominations for 51 dogs and 27 people to be considered for induction into the Retrieving & Field Trial Hall of Fame. From the nominations received 29 outstanding dogs and 19 exceptional people have been inducted.

The criteria for the two categories for selection are the following:

1. **Outstanding Gundogs** (must be permanently retired from further competition and have not competed in the last 12 months, or be deceased):
  - (a) Their record as a winning dog i.e., CLUB – STAKE – DATE – JUDGE – PLACE and/or
  - (b) Their production record.
  - (c) The eligibility for a dog should be based on its entire competitive career and previous record as a producer, not merely for a particular win or for a heroic deed within the field and retrieving trial sphere.
  - (d) Subject to the receipt of a formal application, dogs that have been awarded the title of Grand Champion and have gained a total number of points equal to, or greater than, twice the total number required for that award, shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.
  - (e) Subject to the receipt of a formal application, dogs winning at least two National Championships in the same discipline shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.
2. **Prominent Persons**  
Their record of a broad combination of accomplishments as:
  - (a) Club Official
  - (b) Judge
  - (c) Owner
  - (d) Handler

The distinction of nomination should be accorded to those who have made outstanding contributions to the field or retrieving game. Nominees should be **givers** to the sport and not **takers**.

Nominations are now being called for the current year. In addition to applications submitted in relation to Outstanding Gundogs 1(d) and 1(e), a maximum of two other outstanding gundogs and two prominent persons may be elected each year.

#### **Nomination:**

1. Clubs or Members shall nominate DOGS and PEOPLE considered worthy of awards, including full details of accomplishments within the above categories and with verification. In the case of dogs, nominations should include the full name, title, owner and date of birth.  
(Please note it is a condition of nomination that the nominator/s provides accurate written material supporting the nomination. In the absence of such accurate supporting material, or should the supporting material later prove to be inaccurate in areas of significance, the Selection Panel for the ANKC Ltd Retrieving & Field Trial Hall of Fame reserves the right to reconsider its decision and if appropriate, delete the name of the Prominent Person or Distinguished Dog from the list of inductees.)
2. **Nominations shall close on the 31st May, 2018** at the respective Member Body offices for forwarding to the ANKC Ltd.
3. Please use the proforma nomination forms that are available from all Member Body offices and the ANKC Ltd website at [www.ankc.org.au/HallOfFame/?id=1096](http://www.ankc.org.au/HallOfFame/?id=1096)

governmental or state laws. Pedigrees from any FCI member or contract partner, with a minimum of three complete generations registered in studbooks and/or appendixes to the stud books recognised by the FCI, are considered to be sufficient to be recognised by the ANKC.

It was agreed to add the following note on the Breed Standards page of the ANKC website: “Breed Standards for FCI breeds which are not in Australia can be accessed from the FCI website breed standards page at: <http://www.fci.be/en/Nomenclature>”

**6. \* ANKC Ltd Regulations Part 6 – The Register & Registration: Amendments**

It was RESOLVED that Regulations Part 6 – The Register & Registration is amended by the inclusion of the following new Clause 3.11 (c):

- c. *The progeny of all British Bulldogs, French Bulldogs, Pugs and Boston Terriers conceived by the use of semen imported into Australia and registered on the Main Register, must be physically assessed. Puppies are to be assessed by 3 licenced judges for that breed to ascertain if the puppy complies with the ANKC Ltd Breed Standard especially the ‘Coat’ and ‘Colour’ descriptions. The assessment must be undertaken after the puppy has been microchipped and prior to registration. If their combined opinions are that the puppy does not comply with those descriptions, and there are no special conditions for Registration of Certain Breeds, then the puppy is to be registered on the Limited Register and ‘Marked not eligible to be moved to the Main Register’. If their combined opinions are that the puppy does comply with the ANKC Ltd Breed Standard then the puppies may be registered on the Main Register. Puppies assessed must be able to be individually identified by way of microchip.*
