**"Benny"**

Already participating in Conformation and Rally Obedience I was encouraged by the Tasmanian Tracking fraternity to enter Tracking Trials. "Benny" absolutely loves it and to the best of my knowledge is the first British Bulldog in the world to be a Tracking Champion. This year he also commenced his Track and Search trials journey.

# TCA PRESIDENT'S REPORT

It is said, that the older you get, the quicker time passes. I can certainly attest to that. Here we are and it's December already. Well what a year it has been. The Kennel Area is no longer and January will see the commencement of regular shows at Pontville.

Negotiations are still taking place with Brighton Council with regard to placing our buildings on the site. This has been delayed by the proposal to build a high school at Brighton. Until that site is selected we can't progress as part of the Pontville Oval is one of the sites under consideration.

I recently had the pleasure of attending the dinner which was part of the National Retrieving Trials Week. It was great to see so many enthusiasts including representatives from every state as well as New Zealand. The event itself was a great success and everyone who had a hand in its organisation should give themselves a pat on the back.

Combined Breeds recently ran our second CACIB show which also went off very well. We have received many comments that the Australian judges lost nothing in comparison to their international counterparts. We had one Tasmanian dog complete the requirements for International Champion. The paperwork after the show is fairly voluminous and it takes about eight months to complete, so don't expect your certificate soon.

The Royals are over and despite some misgivings about the area we were allocated in Hobart, it actually worked very well. A number of interstate visitors said they actually preferred this area. Despite a windy Friday when the Show was closed for a couple of hours, it was most enjoyable.

The National Junior Handlers Final was also held at the Royal. Again this was a great success with interstate entrants being very complimentary.

Both the Royal Canine Section Committee and the Junior Handlers Committee deserve congratulations especially as all the work is voluntary.

The review of the Constitution is progressing well and it is hoped to have the discussion paper out to members in the first quarter of 2020.

I would also like to pay tribute to Maureen Jones who has decided not to recontest her seat on the Council. She will be sadly missed for her wise counsel and great knowledge. As there were only four nominations for the four vacancies, there will be no election. Welcome, Tull Luttrell as the new councillor.

The ANKC AGM of members and directors was held in mid October. A summary of the outcome is in this gazette.

We are in the festive season, so on behalf of all Councillors and the Management and staff, can I wish you all the compliments of the season and hope that 2020 is a great year for everyone.

David Sales, President

Dear Mr Smith

Thank you for your letter dated 4 September 2019 regarding the carriage of dogs on Spirit of Tasmania.

There are very strict procedures in relation to vehicle deck inspections for the officers and crew onboard Spirit of Tasmania I and II. Physical inspections are conducted on the vehicle decks throughout the voyage. These rounds include the inspection of the kennels.

There is also a Pet Attendant employed by TT-Line to assist passengers with their pets when arriving on the vessel to help them locate appropriate-sized kennels for their pets and tags the cages so that owners can be notified if their pet does become stressed or ill during the voyage.

Your suggestions regarding access has been taken on board in the design of the new vessels. Although the final design has not been finalised it is planned for the Pet kennels to be located in a non-restricted area on a deck that will allow access to the owners during the sailing.

Thank you for your interest and I am happy for you to contact me on either my email ([kfm@spiritoftasmania.com.au](mailto:kfm@spiritoftasmania.com.au)) or call me on 03 64199073.

Regards

Kevin Maynard  
Company Secretary

### PRESS RELEASE

## LABRADOR RETRIEVER

## SURVEY RESULTS

A survey was conducted by ANKC Ltd earlier this year to ascertain the feedback from all owners of registered Labrador Retrievers in relation to the Minimum Breeding Age for Labrador bitches being 18 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 18 months). The response received indicated support.

As this was an amendment to current regulations, the result of the survey was referred to the ANKC Board of Directors for consideration at their October 2019 Special Board meeting where it was endorsed.

As a consequence the following new clause will be added to Regulations Part 6 – The Register & Registration which will be effective from 1 January, 2020:

- 8.12.2 *The Minimum Breeding Age for Labrador Retriever bitches must be 18 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 18 months). Breeders of litters whelped on or after 1st June, 2020, will be required to comply with the requirements as a prerequisite to registration of any litter on the ANKC Ltd Main Register. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be flagged not to be upgraded.*
