PRESIDENT'S REPORT

It seems ages, since I last wrote a President's Report but in fact it is only four months. The world is a different place with circumstances seemingly changing on a daily basis. I hope everyone is coping in these difficult times and I repeat if anyone is having problems relating to animal welfare, please contact the office and we will see how we can assist.

Trials are about to commence and this Gazette contains the schedules for the first of the conformation events. Members should note that the protocol issued is not set in concrete and will be varied as government requirements change. Please read the conditions of entry closely as failure to observe the conditions will possibly see the event cancelled. Council will be appointing about four TCA Representatives for each show to ensure COVID requirements are observed. There is no doubt that some of the requirements will be inconvenient but Council has a duty to ensure requirements are observed and members' health is of prime importance. Hopefully conditions in Tasmania will remain positive and government regulations will not need to be tightened as has happened in Victoria.

Council was disappointed to receive the resignation of Brian Enright from the Council for personal reasons. Brian has been a great contributor as the Council's Treasurer for many years and will be greatly missed by Council where he was always the voice of reason. Thank you, Brian.

Council could have appointed a replacement, however it decided that the next election would be for five Councillors with the fifth person elected, filling the vacant position for two years. Rex Lowe has been elected to replace Brian as Council's Treasurer as well as an Executive Member.

The Constitution Working Party has considered the submissions received from Members and a second draft will be submitted to Council in the near future before being released for a second round of Member consultation. All is on course for the new constitution to be considered at the 2021 AGM of Members.

The Combined Breeds Dog Club has advised they will not be conducting their CACIB Show because of the difficulty in obtaining international judges but they will be conducting a show on Saturday 24 October.

The ANKC Board Meeting will be held in October (either video or face-to-face) and Council will discuss items for the agenda at the August Meeting.

The final theory exams for the Judges Training Scheme will also be held in August so best wishes for those involved.

Don't relax, stick to the rules and keep yourself and others safe.

David Sales
President

Members are advised that the updated draft Constitution will be posted on the Association's website www.tasdogs.com mid August 2020 for the second round of consultation. A notice will be posted on the Member's only Facebook page once this has occurred.

Mrs R. McDade has been included onto the Obedience Stewards Panel – ph: 0417 780 775.

OBEDIENCE AND 'RALLY-O' RULE CHANGE MEETING

There will be a rule review meeting on Saturday 7 November 2020 at Man O'Ross Hotel, Ross. The lunch menu will be available for those wishing to purchase lunch.

The meeting will commence at 9am with Obedience rule changes followed by Rally-O rule changes.

All interested members are invited to attend.

For further information contact Chris Lowe 0407 970 220 (9am – 4pm) or 6265 1158 outside these times.

The 11th Labrador Retriever National Show has been postponed to a date yet to be determined. Details will be posted on the Facebook page once notification has been received.

CORRECTIONS:

- Mrs S Laing's prefix is SUEMIA and not UEMIA as advised in the March/April 2020 Gazette.
- CH PEPAGROVE SHANNONS DELIGHT (AI) AD JDX SD RN (Seadon) is a Bearded Collie and not a Border Collie as shown in the results from the Tasmanian Dog Training Club Agility/Jumping/Agility Games Trials 30 November and 1 December 2019.

Members are advised that the TCA Inc Council has relaxed the requirements of TCA Inc Regulation 235, hereunder stated:

Conformation Clubs are required to allocate excluding sponsors product, the value of 25% of the total entry fees received towards sashes/trophies (except clubs conducting Shows in accordance with ANKC Regulations Show Part 5 Sections 5 and 6). Where a ribbon is not provided for In Group classes at Championship Shows the value of the trophies shall not be less than the entry fee charged. Any individual cash trophy must be at least the cost of the entry fee charged.

The value of trophies for any other discipline shall not be less than the entry fee charged for first place and not less than 50% of the entry fee for second and third places. Any application for dispensation from this regulation that is made prior to the fixture will be considered by the TCA Inc Council.

Australian National Kennel Council Ltd

STATEMENT

STATUS OF THE BRACHYCEPHALIC BREEDS IN THE NETHERLANDS

The Open letter from the President of the FCI, related to the status of the brachycephalic breeds in the Netherlands, has been widely viewed and applauded around the world, ANKC Ltd will be sending a message of support to the FCI and the Dutch Breeders, the statement will carry far greater weight if it has the declared support of the breed clubs and National Breed Councils (where they exist) of the threatened breeds, Affenpinschers, Boston Terriers, British Bulldogs, French Bulldogs, Griffon Bruxellois, Japanese Chin, King Charles Spaniels, Pugs, Pekingese and Shih Tzu. Do not think that your breed is safe from this kind of Government Legislation, it may be at present, but who knows what may happen in coming years, some organisations whose objectives include prohibition of people owning animals, are gaining representation in State and Territory Governments and may reach the stage where they hold a balance of power and introduce restrictive breeding regulations, be assured that these political parties plus the RSPCA, AVA and individual Veterinarians will be inspired by such statements as *"in the future, breeders must demonstrate that brachycephalic dogs are proven free of conformation related problems"* and *"the core of the report is a set of criteria about the conformation. When one is exceeded, this will lead to a prohibition of breeding, regardless of the other criteria. The criteria describe exaggerated conformations, which are not desirable within the breeds"*. Brachycephalic breeders in Australia must work to ensure that their breed cannot be targeted for exaggerated features, and be able to demonstrate that, where recognised health schemes are available for their, breed they have embraced them.

For clubs to be included in the ANKC letter of support to the FCI and Dutch Breeders, please write to your Member Body or National Breed Councils so they can forward to the ANKC.

Responding to Activists

STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

Proudly show our practices are best practice	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
Advise the show or trial manager, call 000 if needed	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation, call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
Do not engage	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
Ask them to leave	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
Move yourself and your dogs to a safer position	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
Create a record	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.
