Grand Ch Nantiki Mr Darcy

"Mr Darcy"

The Australian Silky Terrier was originally a soft coated cull from the rough coated terrier (now known as the Australian Terrier) in the early 1800's in Tasmania.

My great, great grandfather owned a soft coated Terrier in the 1860's that was used as a "ratter" at his stone cutting yard in Macquarie Street, Hobart. My grandfather owned a Sydney Silky in the 1960's.

Here I am, four generations later the proud owner of Grand Ch Nantiki Mr Darcy bred by Jan Boyce.

Mr Darcy has never gone unnoticed in the ring from his Baby Puppy days to his Open days. He has achieved a Group 1, three RUBIGs and one Group 4. He has Group 1 in all classes and multiple Open in Group with one Open in Show. He has been acknowledged and praised by many esteemed Australian judges as well as overseas judges.

I am so proud of this highly intelligent, true to type show boy and as my daily companion, makes my life a joy.

PRESIDENT'S REPORT

Hi Everyone

Well, we're past the shortest day and you can notice it getting dark slightly later. If you're lucky you can actually see the kennels.

There have been rumbles about the lack of Shows in the north during winter and the south in spring. Council is looking at show dates and conformations clubs will be invited to join an online meeting (via GoToMeetings) to discuss possible solutions to the problem. A draft calendar for 2024 showing dates alternating between north and south will be forwarded to all clubs prior to the meeting. Any changes agreed to would come into effect from 2024. A similar meeting will be organised for the performance clubs to get consensus on what types of events can be held over the same weekend without a huge impact on entries.

A discussion paper released about the review of the Animal Welfare Act. Our initial assessment seems to indicate there is little for us to comment on but of course TCA will be making a submission. The review of the Dog Regulations which will follow will no doubt be of more interest to us.

The Royal Schedules are in this Gazette together with the cluster of shows during October. Hobart Royal will be at the Regatta Grounds and Launceston Royal at Quercus. Don't forget your entries.

It is pleasing that at last people are ceasing to park in the no parking areas at Pontville. It has been a hard row but the driveway is now the only access to the back football/cricket oval. Please keep up the good work.

Work has still not started on the "Shed". Another meeting with the Council was held recently.

We have just received news that Sue Axton has been inducted into the ANKC Retrieving and Field Trial Hall of Fame. A well-deserved honour. Congratulations, Sue.

COVID seems to be spreading again. It will be necessary to wear a mask to enter the TCA offices and everybody is requested to mask up at shows and events.

FROM THE OFFICE

We are still working with AUSN to implement the function that will allow breeders to submit their litters on-line. Members will be advised via Facebook once it is operational. We are now able to e-mail breeders copies of their puppies' Certificates of Registration and a digital membership card is now available – anyone wishing to take advantage of this function should register with ANKC on-line services; please e-mail us at admin@tasdogs.com for the link to register or Google ANKC online services.

Effective 1 September 2022 the cost of microchipping will increase to \$25.00 per puppy; this is the first increase since mandatory microchipping was introduced in 2005.

Clubs, Stewards and exhibitors are reminded of the change to TCA Inc Regulation 154:

Where a Judge is adjudicating on an exhibit for the first time they must examine each exhibit, in the conventional manner by physically handling and moving the exhibit to check its conformation and temperament:-

1. At a single exhibition held over one or more days or;
2. At consecutive exhibitions held on one day.

If a judge defaults in complying with the regulation it shall be the responsibility of the ring Steward to inform the judge of this regulation. If a judge again refuses to comply with this regulation then the Steward must call for judging to cease and bring the matter to the attention of the Event Manager who will resolve the matter with the judge.

The Committee has the power to substitute the judge and must report the matter to the TCA Inc Council if the judge completely refuses to comply with this regulation.

Responding to Activists

STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

Proudly show our practices are best practice	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
Advise the show or trial manager, call 000 if needed	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation. call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
Do not engage	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
Ask them to leave	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
Move yourself and your dogs to a safer position	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
Create a record	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.

PRESS RELEASE

ROTTWEILER SURVEY RESULTS

A Rottweiler Natural Bobtail survey was conducted by Dogs Australia last year to ascertain feedback from all owners of registered Rottweilers as Dogs Australia follows the Country of Origin breed standard and given that the gene involved is an incomplete dominant there is the possibility of bobtail parent/s producing long tail offspring. Only the long tail offspring are eligible to be placed on the Main Register.

The response received indicated support.

As this was an amendment to current regulations, the result of the survey was referred to the Dogs Australia Board of Directors for consideration at their June 2022 Special Board meeting where it was endorsed.

Consequently, the following new clause will be added to Regulations Part 6 – The Register & Registration which will be effective from 1 January 2023:

- 8.9.2 Effective 1 January 2023, any Rottweiler born a Natural Bobtail will be eligible to be registered on the Limited Register only and flagged NOT TO BE UPGRADED.

The TCA Inc offers a microchipping service throughout the state at a cost of \$20 per dog/puppy (including lifetime registration on a nation-wide data base). Please contact the office for further details.

As of 1 March 2012 smoking within 20 metres of judging rings and seating around them is prohibited.

This is a Department of Health & Human Services directive.

PRESS RELEASE

SUSPENSION OF REGULATIONS

As a result of concerns received regarding the Afghan Hound survey, the Dogs Australia Board of Directors have resolved to immediately suspend Regulations Part 6 – The Register & Registration Clause 8.16 which reads:

8.16 *Afghan Hound (Added 02/22 – 6.1, Effective 1 July 2022)*

The Minimum Breeding Age for Afghan bitches is 24 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 24 months).

Breeders of litters whelped on or after 1 June 2022 will be required to comply with the requirements as a prerequisite to registration of any litter on the ANKC Ltd Main Register. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be flagged not to be upgraded.

An investigation into the procedural process and the regulations will be carried out and a report submitted to the October 2022 Board meeting

APOLOGIES: Mr D Sales and Miss T Sloan.

BUSINESS ARISING FROM THE MINUTES:

Office Security

The EO advised the meeting that Mekina Security had reactivated the security system in the offices at a cost of \$132.00 set up and \$10.00 per week with a \$50.00 call out fee that had to be authorised by either Mrs J Menzie or him and suggested the matter be removed from the agendas.

RESOLVED: 'The EO's suggestion be endorsed.'

FINANCE:

Financial Reports for the periods 1 – 30 April 2022 were circulated to all Councillors indicating a profit of \$4736.59 for the period compared to a loss of \$1519.64 for the corresponding period in 2021 and a YTD profit of \$62898.97 compared to \$54194.02 for 2021 and Bank Registers for the same period showing a total of \$41165.26 in deposits and \$25353.90 in withdrawals.

Reports were presented from the Association's Audit, RAFT and Regulations Committees.

GENERAL BUSINESS:

Executive Officer's Report

The EO's Report advised that:

- The processing is at a nine working day turnaround;
- There were 255 puppies registered in the period 6 April to 11 May 2022 compared to 260 for the same period last year, a total of 1007 for the year compared to 979 in 2021;

- The Club Executive Meetings are scheduled for 28 May 2022, that, to date, nothing had been received for the agenda items; the close off is 23 May 2022. We do have a few matters that clubs need to have input into such as the Calendar of Events. If we do not any other items for the agenda from clubs I suggest we send a memo to clubs regarding the calendar asking for their input about possible change and then organise a meeting at a later date if necessary.
- The ANKC is looking at breeder's terms contracts and Member Bodies have been requested to make comment on them and forward copies of any agreements they have, that TCA Inc breeders have their own contracts while the Association has nothing and that he would advise the ANKC of this.

Facebook postings/comments

RESOLVED: 'The matter be referred to Dr S Blackman for action with a suggestion that the Dogs Queensland Social Media Policy be considered.'

Litters On-line

T Counsell queried if there had been any progress on the on line litter registration function. The EO advised the meeting that the office was working with AUSN to implement this function as well as the e-mailing back to the breeder copies of the Certificate of Registration and Pedigree for puppies they had registered in the new owner's name.

ANKC Tracking and Track & Search Rules Reviews

P Hallam requested that the submissions received for these reviews are posted on the Association's website.

The EO advised that he would ensure that this happened.

M Aitchison raised the issue of gazebo spaces at Pontville.

RESOLVED: 'Clubs be requested to prevent exhibitors from parking in the area immediately outside of the fence to create more spaces for gazebos.'

Club News . . .

HOBART CANINE OBEDIENCE CLUB

We were saddened to learn of the recent passing of Derek Baverstock.

Derek and his wife Dot (who passed away late last year) were committee members and instructors at our club and generously shared their skills and knowledge over many years.

They trained Bassets, Border Collies and Poodles. They were instrumental in getting Rally Obedience and Flyball started at the club. Both will be greatly missed by all who had the pleasure of knowing them.

We express our sincere condolences to Derek and Dot's family and friends.
