# TCA PRESIDENT'S REPORT

Hi Everyone,

Last Gazette I said the "Shed" would be finished by the end of June. The completion date has been pushed back but I am very pleased to advise the membership work has commenced with completion in time for the 2023 Brighton Show in November.

In the past couple of weeks the weather seems to have really closed in. Please drive carefully in accordance with the road conditions. Allow yourself plenty of time to get where you are going. One good point, is that the delays on the Midlands Highway are greatly reduced with several of the remaining construction zones seemingly nearing completion.

The ANKC AGM and Board meeting is coming up in October and if members have any matters, they would like our Council to put forward, please lodge them in writing prior to our August Council Meeting.

Dogs Tasmania has ordered ramps for both northern and southern venues on behalf of clubs who are purchasing them. The ANKC has now finalised the list of table, ramp and ground breeds. Dogs listed as "table" must be judged on the table. Dogs listed as "ramp" may be judged on the ramp or ground depending whether a ramp is available, and dogs listed as "ground" may only be judged on the ground (babies excepted). This comes into effect on 1 January 2024 and will be posted on the ANKC website in the near future.

The regulations pertaining to kennel inspections have been adopted by Dogs Tasmania and are published in this gazette. We have been liaising with Dogs NSW on the procedures so hopefully we will not have any hiccups. As I have emphasised to you before one of the main criticisms of the animal welfare lobby regarding pedigree dogs, is that we have the rules but do not enforce them. With these regulations in place, we will be able to do this and refute this criticism.

A CACIB Show and an A2O Show have been approved for early 2024. From 1 July 2023 CACIB shows may also offer junior and veteran CACs which accumulate into Junior and Veteran Champions. Full details on the Dogs Australia website.

The Royals are approaching and their schedules are in this Gazette. Many specialties will also be conducted over this period. Keep those entries rolling in.

The most important thing is to keep yourself safe with Covid and the flu which is very prevalent in the community at present. I had my fifth jab plus flu shot the other day so if you haven't had yours, give it some consideration.

David Sales  
President

## **LONGFORD SHOW SOCIETY INC**

**21 October 2023**

It has been decided to make the area under the lean-to part of the assembly area to allow as many exhibitors as possible to shelter from the weather during the judging of their respective groups. Please do the right thing and remove all crates and trolleys at the completion of your group to allow those in the next groups to move in.

Cheryle Houghton (Event Manager)

# Responding to Activists

## STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

<b>Proudly show our practices are best practice</b>	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
<b>Advise the show or trial manager, call 000 if needed</b>	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation. call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
<b>Do not engage</b>	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
<b>Ask them to leave</b>	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
<b>Move yourself and your dogs to a safer position</b>	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
<b>Create a record</b>	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.

The EO's Report advised that:

- Processing was at a seven working day turnaround;
- There had been 164 puppies registered in the period 10 May to 14 June 2023 compared to 262 for the same period in 2022. A total of 986 puppies registered year to date compared to 1269 in 2022;

- The ramps are on the way – three for the south and two for the north. The freight was more expensive than the manufacturer thought it would be making each ramp about \$1123.00 each. The TCA Inc has paid for them all and will invoice the clubs that have ordered them.

#### **Pontville Kennel Area**

M Aitchison advised the meeting that wasps were still around the area in large numbers.
