DUAL NEUT CH (R) BIRGITS BALLANTRAE TULLY (AI) CDX "Tully"

Sire: Zecara's Dive Into The Sun (Imp DEU)

Dam: Birgits Faraday Ebony

My pocket rocket Tully has the most amazing work ethic, giving 100% no matter which discipline we are working together in and is always cheeky, happy and loving. He achieved two Champion Titles in 2023, Neuter Champion in Conformation and Rally Champion in Performance and is trialling in Utility (UD) in Obedience.

One of the first puppies born in Australia to Duke (Zecara's Dive Into The Sun (Imp DEU)), Duke certainly put his stamp on Tully with his conformation and temperament and I feel very privileged that his wonderful breeders, Garry Enks and Birgit Zieke in Queensland, allowed me to have Tully.

As always there are people to thank for their contribution to Tully's achievements. My thanks to Veronica and Pete Hofto for their guidance in how to show Tully to his best along with furthering my knowledge in UD Obedience handling. Also Louise Rowlands, Helen Owen, Trudi Kingston and Barb Duke for their support and company at shows. To the many Conformation Clubs, my thanks to you all. Thanks as well to Hobart Dog Training Club Inc, Tasmanian Dog Training Club Inc. and Eastern Shore Dog Club Inc. for providing Trials for handlers.

A special thank you to Jess Tanner who took this stunning photo of Tully.

Tully is owned and handled by Wendy Job.

TCA PRESIDENT'S REPORT

Hi Everyone,

There have been a number of photos pasted on our Facebook page showing the progress of the shed. The finishing touches are being applied and we will shortly commence outfitting the store and office. This will be done using funds which have been kindly donated to DogsTas by either individuals or affiliates. I am not sure if they will be complete for the first show in the new year but certainly the shed itself will be available for either benching or showing in adverse weather.

Nominations for the Council closed at the end of October and there were only four nominations for the four positions vacant. This of course means that there is no need for an election. I would like to welcome Lani Smith to the Council and advise that the other three successful nominees were Chris Lowe, Maree Aitchison and myself.

Well, the ANKC Conference has come and gone and I can report that the Board voted against introducing compulsory DNA testing for parentage and banning dogs with docked tails from being shown. In addition, the Board received a report on possible full membership of FCI. The Board decided to have a discussion paper prepared and circulated to Member Bodies for consideration.

The Board also decided not to disband Breed Councils but will be taking a report back to them for consideration regarding modernisation. Ulverstone Kennel Club was granted approval to hold a FCI Show in February 2024. It was also agreed to amend judges' contracts to show details of ramps to coincide with the introduction of the new ramps' regulation on 1.1.24.

Regulation Part 5 will also be amended to align the class numbers of FCI Shows with ANKC Shows to reduce confusion.

The Christmas Show will be held next week and it is hoped that everyone will be able to catch up with people they perhaps haven't seen for some time.

And after that it will be time for Santa to try and squeeze down your chimney to reward you for all your good deeds during the year.

The Council wishes all members a joyful Christmas and a successful New Year. We would also like to thank Kerry, Judy and Debbie for all the hard work they have put in during the year and especially for the additional work at Pontville pending having our storage space available. If you drink don't drive and remember Covid is still around so take precautions.

David Sales, President

BREED GOOD HABITS WITH YOUR TAX OBLIGATIONS

If you are an animal breeder, the Australian Tax Office (ATO) wants you to be aware of your tax obligations.

Primary producers are not just farmers.

The ATO knows that you are not thinking pigs, cuddly sheep, or chickens worthy of a beauty pageant when you think about primary producers. But did you know that if you are an animal breeder – on or off the farm (working dogs or show ring dogs, anyone?) – and you are in business, then you are a primary producer?

This means that you have some specific tax obligations you need to know about, and it also means the way you pay your tax can be different.

For example, primary producers are eligible to use the tax averaging system, which is a way to even out your income and tax payable over a maximum of five years to allow for fluctuations in prices and production. That way, if you have a bumper year with the hens one year, and a less-than-amazing one the next, you can average the tax payable.

You can also opt out if you do not need it and think your income will be relatively steady.

If this sounds like you, check out the ATO Small business newsroom's article for more information.

Responding to Activists

STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

Proudly show our practices are best practice	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
Advise the show or trial manager, call 000 if needed	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation. call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
Do not engage	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
Ask them to leave	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
Move yourself and your dogs to a safer position	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
Create a record	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.
