## **CH CORMEAD DOLUCH**

**Sire: Grand Ch Kalora Quality Control**

**Dam: Grand Ch Cormead Dirt Girl**

She is a beautiful Cardigan Corgi who has been put up by multiple judges. She has class and beautiful type.

She has won best in shows, multiple groups, best in show speciality, and has been recognised by Corgi specialists, all this and all just before she is 4 years.

At age 9 months she started showing, then had ten months off.

She is a great dog to live with, a great temperament. I can't wait to see what the future holds for us both, no doubt it will be fun.

Thank you to all the judges who have seen her quality, and have awarded her.

Breeder, owner and handler – Carol Matthews, Cormead Cardigans

# Responding to Activists

## STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

<b>Proudly show our practices are best practice</b>	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
<b>Advise the show or trial manager, call 000 if needed</b>	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation, call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
<b>Do not engage</b>	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
<b>Ask them to leave</b>	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
<b>Move yourself and your dogs to a safer position</b>	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
<b>Create a record</b>	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.

# TCA PRESIDENT'S REPORT

Hi Everyone,

Well, we are into 2024 and already several shows have been held at Pontville. It has been tantalizing seeing the "Shed" almost finished but not being able to be used. At the Hobart Dog Club Show I had a look inside and the framework for the office and storage areas has commenced and we are expecting a certificate of occupancy to be issued in the very near future for the rest of the building to be used for benching and showing.

January also saw the introduction of the "ramping" regulation. There are ramps at both Quercus and Pontville and both have been used with no notable issues. Council, at its January meeting, decided not to strictly enforce the regulation for a period to enable both judges and exhibitors to adjust to the new regulations. Judges' contracts now require judges to indicate whether they wish to use ramps and in future this information will be included in the schedule. The one thing to remember is that table dogs must be tabled and ground dogs must be grounded.

Ulverstone will be conducting our 2024 CACIB Show as well as the first A2O Show in Tasmania. This will require the stewards to be a little more vigilant than usual so please cut them some slack. The club has arranged a special class for stewards to refresh the rules. Congratulations to UKC and best wishes for the shows.

Current Councillors are approaching the conclusion of their year with the Councillors AGM on 21 February 2024. Although she has been out of the state for several months now it will mark the official end of Elaine Job's term as a Councillor. As a Past President Elaine has contributed immensely to Dogs Tasmania in many ways including volunteering for a day each week in the office to eliminate the need to employ relief staff for peak times thus saving us money. Her leaving Tasmania was a great loss to Dogs Tasmania and we would acknowledge the great debt we owe her and wish her well for the future. I was speaking to Elaine recently and she is really enjoying the Queensland weather although she hasn't been to a show recently.

Elaine's departure left a vacancy on Council and we have a new Councillor, Lani Smith who is attending meetings as an observer and whose first official meeting will be the Councillors' AGM. Welcome Lani and we hope you enjoy your role.

Talking of AGMs, the members' AGM will be held at Perth on Monday 11 March 2024. No formal motions had been received at closing time. At the close of this meeting I will hand over the reins to the new President.

I mentioned in my last column that the ANKC had decided not to impose compulsory DNA testing for parentage. The was lost on equal voting with four states supporting and four opposed. Our Council had decided to support the motion. The consensus was this was a state-by-state matter, so I imagine our Council will be giving this consideration again in the next 12 months.

I would also draw to your attention that camping at Pontville is only permitted in the RV area (on the left hand side as you drive in off Glen Lea Road) and must be booked and paid for prior to the show at the Brighton IGA. In addition, people are still parking inappropriately on the grassed area between the rings and the "chook shed" and around the toilet block. Brighton Council is installing additional notices and bollards. If this continues Council will give consideration to stopping judging until vehicles are removed and suspending members who are breaching the requirements. Let us not be reduced to this.

Last issue I reminded you that COVID was still around. I am writing this on my third day of isolation so obviously it is a case of "physician heal yourself". Fortunately, the symptoms are mild and I'm almost back to normal.

Finally, I would implore everyone to consider their dog's welfare in the hot weather. Do not leave them in stationary vehicles. Even with open windows the temperature in a car can soar to unacceptable temperatures.

Great participating everyone.

David Sales
