C.I.B.-J CH. KABOVA KISSED BY A ROSE

"Seal"

Seal came to Tassie in January 2025 with his breeder Jenny Whitney (Kabova) to compete at the Ulverstone International Shows. He was due to return with Jenny, but a mutual agreement was reached, and he stayed with us at Spurius Kennels. The intention was for Seal to eventually return to Kabova, but it was witnessed that Seal had become too attached to his life in Tasmania and so we purchased him from Jenny and Cris Whitney. Since owning Seal, he has achieved his C.I.B.-J along with multiple Classes in Show, Multiple RUBIG's and a BIG. We look forward to his continued success at Spurius Kennels.

PRESIDENT'S REPORT

Hello everyone.

At the time of writing this report we are uncertain as to the outcome of the Tasmanian Government election held on 19 July, meaning that the Animal Welfare Consultation Report being considered by the previous government has stalled. We will await the results to be finalised and follow any progress on this important matter.

The first use of iPads for Stewarding was trialled recently at Pontville with positive results. This follows their use by the Ulverstone Kennel Club over the years helping to increase the efficiency by the clubs on exhibition days. Stewards will continue to be trained in the basic paperwork procedures for shows where iPads are not available. Anyone wishing to join the Stewards Panel can make application by email to Dogs Tasmania and any questions to myself and other members of the Stewards Committee are welcomed.

We are approaching the time of the year for clubs to be setting dates for their AGM's and fulfilling their reporting requirements. New members are always welcomed by clubs and I encourage everyone to reach out and offer support if possible. Your help is important to the continued operation of clubs within our organisation.

Having now passed the shortest day of the year we can hopefully look forward to an improvement in climatic conditions as we continue to enjoy our sporting disciplines.

Until next time

Responding to Activists

STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

Proudly show our practices are best practice	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us as loving dog owners and members of Dogs Tasmania and present our dogs and ourselves positively.
Advise the show or trial manager, call 000 if needed	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation. call 000 immediately. If you call 000 clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc.
Do not engage	Do not engage directly. Keep calm even if provoked and keep your distance if possible.
Ask them to leave	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
Move yourself and your dogs to a safer position	Your safety and welfare and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
Create a record	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and if possible wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs when confronted with activists.

From the Office

Due to the number of schedules to be published in this issue of the Gazette the Summary of Decisions from the ANKC Board Meeting 14 June 2025 has been edited to remove some unnecessary information. The complete document can be viewed at www.tasdogs.com in the News Post section.

Clubs are advised that the ANKC has increased the fees for Overseas Judges Approval, effective 1 July 2025, as follows:

\$121.00 – Applications lodged nine months prior to the show or

The above fees include Dogs Australia obtaining verification of the qualifications of the judge and are GST inclusive and will apply for all applications received by the ANKC.

A new fee of \$33.00 (inclusive of GST) will be introduced from 1 July 2025 for each request to amend an existing approval.

Members wanting to report anything at a TCA Inc sanctioned fixture should first report it to the Event Manager who will be able to advise who else they need to report the matter to.

Clubs are advised the Mr P. Haas has requested that his name be removed from the Conformation Stewards Panel.

Members living in the Northern Midlands Council (NMC) and Huon Valley Council (HVC) municipalities are advised that the Dog Management Polices of these Councils are being reviewed.

12. *Regulations Part 9 – Non Resident Judges, Clause 2.2

It was RESOLVED that effective from 1 July 2025 Regulations Part 9 – Non Resident Judges, Clause 2.2 be amended as follows:

- 2.2 Notwithstanding the provisions in 2.1 the following Regulations are currently applied by individual National Canine Organisations.

Fédération Cynologique Internationale (FCI)

In accordance with FCI Show Regulations 2e, judges from FCI National Canine Organisations may under no circumstances agree to judge a breed at any show for which they are not approved by their own NCO (National Canine Organization) and for which they are not listed in the FCI Judges Directory. The same applies for judging at Best in Group and Best in Show level.

When seeking approval to judge at an FCI International Show in Australia, a non-resident judge may only apply to award the CACIB to breeds for which they are individually listed in the FCI Judges Directory, failing to comply with this requirement will result in the FCI invalidating the confirmation of the CACIB's incorrectly awarded.

FCI Judges judging at a Non-FCI Championship Show in Australia may only complete an ANKC Ltd Judging Declaration for Additional Breeds form.

The ANKC Ltd Judging Declaration for Additional Breeds form may be competed for the following breeds which are not included in the FCI Group Listing but are included in the Dogs Australian Group Listing.

- Australasian Bosdog, Murray River Retriever and Tenterfield Terrier
Bluetick Coonhound and the American Hairless Terrier and Biewer Terrier.

The ANKC Ltd Judging Declaration for Additional Breeds form must be submitted with the Overseas Judges Application Form.

The ANKC Ltd Judging Declaration for Additional Breeds form will be available on the Dogs Australia Website.

CLAUSE 2.2 RELATING TO CKC:

Canadian Kennel Club (CKC)

At FCI International CACIB Shows CKC judges are only allowed to judge and award CACIB's to the breeds that they are approved to judge at Championship Shows in Canada.

CKC licensed judges are permitted to judge at Championship Shows in foreign countries and issue Challenge Certificates only for breeds that they are licenced for in Canada.

An ANKC Ltd Judging Declaration for Additional Breeds form may be completed for breeds listed in Appendix A to these regulations, if the overseas judge is required by the affiliate club to judge that breed/s at their Championship Show.

For any breed other than the breeds mentioned in Appendix A, the judge must include with their Overseas Judges Application Form, an ANKC Ltd Judging Declaration for Additional Breeds form for the specific CKC registered breed/s the affiliate club has requested they judge but they are not currently licensed by the CKC to judge.

Note: The judge's qualifications will be based on the information contained in the judges listing on the CKC website unless written correspondence is received from the CKC stating otherwise.

The ANKC Ltd Judging Declaration for Additional Breeds form will be available on the Dogs Australia Website.

CLAUSE 2.2 RELATING TO THE ROYAL KENNEL CLUB (UK):

The Royal Kennel Club (UK)

At FCI International CACIB Shows RKC judges are only allowed to judge and award CACIB's to the breeds that are recognised by the FCI on a definitive basis and that they are approved to judge and award Challenges to at Championship Shows in the United Kingdom.

Where an applicant is approved by the Royal Kennel Club (RKC), to judge a group or groups at Championship Show level, and has Open Show experience or has issued Challenge Certificates outside England, subject to compliance with 2.1, may be approved to judge at group level in Australia for those groups/breeds so qualified, subject to the non-resident judge providing the details required, listed as follows:

- (a) Date of Open / FCI / Green Star Shows
- (b) Name of Show
- (c) List of Breed/s judged
- (d) Number of dogs judged in each breed
- (e) List of “any other variety” breeds judged together with the number of dogs in each breed judged.

The above information is to be provided with the initial application for approval.

ANKC Ltd Judging Declaration for Additional Breeds form may be completed for breeds listed in Appendix B to these regulations, if the overseas judge is required by the affiliate club to judge that breed/s at their Championship Show.

For any breed other than the breeds mentioned in Appendix B, the judge must include with their Overseas Judges Application Form, an ANKC Ltd Judging Declaration for Additional breeds form for the specific RKC registered breed/s the affiliate club has requested they judge but they are not currently licensed by the RKC to judge.

Note: The judge's qualifications will be based on the information contained in the judges listing on the RKC website unless written correspondence is received from the RKC stating otherwise.

The ANKC Ltd Judging Declaration for Additional breeds form will be available on the Dogs Australia Website.

CLAUSE 2.2 RELATING TO AKC

American Kennel Club (AKC)

At FCI International shows, AKC judges are eligible to judge and award the CACIB provided that the following conditions are fulfilled:

- 1. The breeds they are scheduled to judge are recognized by the AKC (this does not include Miscellaneous and FSS).
- 2. They are allowed, under AKC regulations, to judge the breeds in question at AKC events and award them championship points.

AKC Licensed judges are permitted to judge at Championship Shows in overseas countries and issue Challenge Certificates only for breeds that they are licenced for in the USA.

An ANKC Ltd Judging Declaration for Additional Breeds form may be completed for Miscellaneous and FSS (Foundation Stock Service Breeds) and breeds that are not recognised by the AKC, listed in Appendix C to these Regulations, if the overseas judge is required by the affiliate club to judge that breed/s at their Championship Show.

For any breed other than the breeds mentioned in Appendix C, the judge must include with their Overseas Judges Application Form, the ANKC Ltd Judging Declaration for Additional Breeds form for the specific AKC registered breed/s the affiliate club has requested they judge but they are not currently licensed by the AKC to judge.

Note: The judge's qualifications will be based on the information contained in the Judges listing on the AKC website unless written correspondence is received from the AKC stating otherwise.

Website Upgrade

The EO advised the meeting that he had spoken to Mr S. Boatwright about the proposed website upgrade and that he had requested direction on what needs to be updated.

Matters that were raised included that the website was old and clumsy and needs to be made more user friendly and that the breeders listing needs to be updated.

RESOLVED: 'Councillors view the website and report back to the next meeting of Council.'

Official Representatives for Scent Work and Trick Dog Trials

R. McDade asked if Official Representatives had been appointed yet.

The EO advised that the new policy had not been implemented to date.

The meeting closed at 8.45 pm.

Did you know?

“Wire Fox Terriers are the only breed known to be affected by Van den Ende Gupta Syndrome, with around 22% carrying the gene. Affected dogs often have multiple skeletal deformities, but since identifying the genetic mutation responsible, breeders can now prevent carrier-to-carrier matings. Today, genetic testing has become an indispensable part of responsible Wire Fox Terrier breeding.”
