PRESIDENT'S REPORT

Hello everyone.

As you are aware there has been considerable discussion on social media regarding a proposal to introduce a champions class at conformation shows. This matter will be discussed at the June ANKC Board meeting. Any proposals will be referred back to the various state bodies to gauge members' feelings. Prior to any vote being taken, I assure all members that full consultation will be afforded to them regarding this matter.

The review of Dogs Tasmania's Regulations has been finalised and members are invited to submit comments on the draft regulations. If you wish to review the draft document please email the office for a copy to be forwarded. Comments will close on the 30 June 2026. I would like to make a special thank you to Trevor Jones for his tireless efforts in completing this task.

After our involvement in consultation regarding the proposed Greyhound Bill we share the frustration at the Government's deferral of voting on the bill. We continue to lobby parties and members regarding any unintended consequences on our sport and also the breed itself.

On a positive note we have had further discussions with the Clarence Council regarding the development of their dog control policies, with our input being warmly received.

It has come to my attention lately that some "poorly worded" social media posts have been circulating on various topics. A copy of our Social Media Policy can be viewed on the Dogs Tasmania website. I encourage members to consider their posts before pressing send, please "play nicely".

Until next time.

Steve Eastley, President

“ For years, Royal Canin has consistently delivered outstanding results for our kennel, most recently with our champion Border Collie, Lyanna. Our dedication to elite conditioning combined with Royal Canin's Medium Expert's high-quality, palatable diet, ensures optimal health and the sustained energy required to consistently perform at the highest level. We're incredibly proud that Lyanna earned the rank of Australia's #1 Amongst All Breeds for 2024.
